Ez~Scale On-Board Printer

Twin color printer ribbon

Triple copy ticket paper

Product Features

- Easy to operate
- 30% faster than the standard printers
- Drop-in paper loading
- Uses standard interchangeable interface cards
- Two-color black and red ticket and information printing
- Right-side-up printing for quick references
- Flexible paper widths

Impact Printers for Ez~Scale are compact, reliable and optimized for high-speed throughput. Printer is installed in the cab of the wheel loader to provide ease and flexible operation.

It is dubbed the 'kitchen printer' for their ability to withstand high temperatures and hostile operating environments. They offer all the easy-to-use features important to the rugged mine, quarry, recycling, waste and other industries where durability comes into play.

The two-color printing to highlight any special content on the tickets is an advantage for printing vivid logos, notes, etc. Printed tickets provide 9 rows of your company information such as; COMPANY NAME, ADDRESS, PHONE, and FAX. It automatically prints date & time, customer names, product and net weight loaded. In addition it also prints site name, operators name and equipment name or number.

Depending on individual company requirements, printer is capable of printing single, double or triple copies.
